PREPaRE WORKSHOP #1:
Crisis Prevention and Preparedness for Comprehensive School Safety Planning

April 28, 2017 | 8am-4pm | McKinley Community School for Adults
634 Pensacola St # 216, Honolulu, HI 96814

PREPaRE Workshop #1 is designed for school-based mental health professionals, administrators, security professionals, and other educators in order to build consistent knowledge and ready-to-go resources to help establish and sustain comprehensive school safety, crisis prevention, and crisis preparedness efforts.

This workshop makes a clear connection between ongoing school safety and crisis preparedness. It also will emphasize the unique needs and functions of school teams and the steps involved in developing these teams, including a model that integrates school personnel and community provider roles. The workshop also explores how to prepare for school crises by developing, exercising, and evaluating safety and crisis plans. Learn a broad overview of the school crisis team's roles and responsibilities, with a special emphasis on crisis prevention and preparedness.

SCHOOL SAFETY AND CRISIS PREPAREDNESS CURRICULUM
NASP PREPaRE TRAINING

Who Should Receive PREPaRE Workshop 1 Training?
All school personnel who need to understand how the comprehensive school crisis team is organized and functions. Workshop 1 is most beneficial when attended by a team of individuals from a school representing various disciplines:

- mental health professionals
- administrators
- teachers
- SSCs
- security professionals
- office staff

How does PREPaRE help our school?
Participants leave Workshop 1 with significantly better understanding of school crisis prevention, including

- increased confidence and enthusiasm in collaborating with others to develop functional school safety and crisis responses management plans
- improved attitudes towards crisis prevention and intervention
- consistent language across staff to ensure everyone is on the same page
- meeting legal, policy, and initiative requirements for creating a positive and safe school climate
- build connections between physical and psychological safety initiatives that ultimately restore or sustain access to quality academic learning

What do participants receive with their registration?

- Training materials and CD
- Ready-to-use forms/templates to increase ease of implementation
- PDE3 credits (must register through PDE3)
- 6.5 NASP-approved CPDs for HASP Members
- Coffee
- Snacks
- Door prizes
